

CHOCORUA LAKE CONSERVANCY
Land & Water Stewards Since 1968

Chocorua Lake Conservancy is a nonprofit land trust formed in 1968 dedicated to protecting the natural beauty of the Chocorua Lake Basin and providing public access for present and future visitors.

Business Partners Program

Can your business support Chocorua Lake Conservancy as a Business Partner?

You and your customers value the scenic beauty and accessible open spaces of our region. It is why we live and work here, and why tens of thousands of tourists come to this area every year. Area residents and tourists alike visit Chocorua Lake to take a photo at the Narrows Bridge, to picnic and swim, to kayak or canoe, to fish, and to explore the 800 acres of conservation lands and trails maintained by CLC.

Because of the work of Chocorua Lake Conservancy, Chocorua Lake's water quality remains pristine, CLC's public access lakefront areas are beautiful and clean, no houses are visible from the lake, and the historic wooden railings on the Narrows Bridge stand tranquil as they have for decades. No motorboats on the lake mean that loons can thrive, that bald eagles visit and nest here, and that you can hear the many songbirds that abound.

Help us continue protecting the Basin and providing convenient, attractive lake access for nearby residents and occasional visitors.
